HOUGHTON'S
MIDWEST DAHLIA FARM
GALVA, HENRY COUNTY, ILLINOIS

SURPLUS LIST--1929

The following excellent Dahlias are offered—subject to prior sale, at about 50% discount from the current market quotations. The supply of each variety is extremely limited. Orders will be filled strictly in rotation and to avoid disappointment should be sent in at once. We would suggest your naming second choice in case we find it impossible to supply your requirements in full—otherwise we shall make refund to cover any shortage.

TERMS OF SALE—Cash with order. No order accepted under \$2.50. Shipping charges prepaid on all orders amounting to \$5.00 or over. On orders under \$5.00 add 25c to cover these charges. State time of shipment desired.

NOTE—We have an extra good stock of Show and Pompon Dahlias which we are offering at 25c each—unlabeled. We have these in practically all colors. When ordering state simply the number and colors desired.

Should you wish to order certain varieties, not included in this or our Regular list (issued about January 1st), write us for prices. We can doubtless supply you at a reasonable figure.

REMEMBER—Every order we send out receives the same careful, personal attention—regardless of quantity or price.
